<sup>1</sup> Plans open to new participants.

<sup>2</sup> Plans closed to new workers or plans that cease accruals for some or all plan participants.

<sup>3</sup> The percentile groupings are based on the average wage for each occupation surveyed, which may include workers both above and below the threshold. The percentile values are based on the estimates published in the "National Compensation Survey: Occupational Earnings in the United States, 2008." See Technical Note for

more details.

NOTE: Because of rounding, sums of individual items may not equal totals. Dash indicates no workers in this category or data did not meet publication criteria.
